DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claims 3-5 and 8-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 4 and 9 and their dependent claims 3, 5, 8 and 10, all of these claims recite the terms "special sheet". The terms "special sheet" are unduly vague, in that it is unclear what sheets are encompassed by "special sheet". Similarly, it is unclear what is meant by the terms "sheet other than the special sheet". What sheets are encompassed by these terms? Do the terms "special sheet" refer to sheets within a certain size range or sheets made from a certain material? Moreover, it is unclear what is meant by the terms "special sheet ribs". What ribs are encompassed by these terms?

Allowable Subject Matter

2. Claims 3-5 and 8-10 would be allowable if amended to overcome the rejection under 35 U.S.C. 112, second paragraph above.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas A. Morrison whose telephone number is (571) 272-7221. The examiner can normally be reached on M-F, 8am - 5pm.
